First I have downloaded the database from the given PDF about assignment and I have uploaded it in the mysql workbench. Then I have linked it to the tableau desktop. Then I have created 10 visualizations. They are:

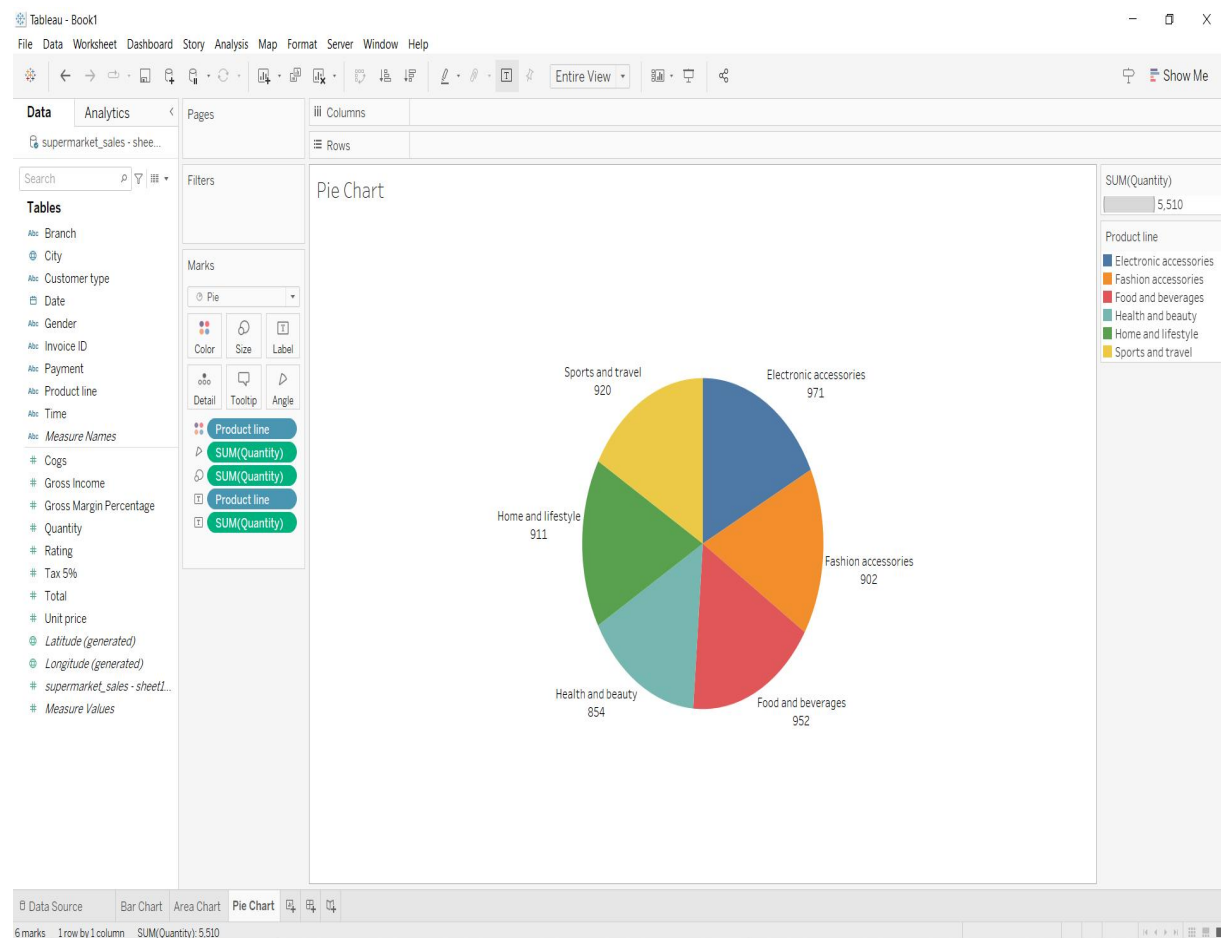

## 1. Bar Chart

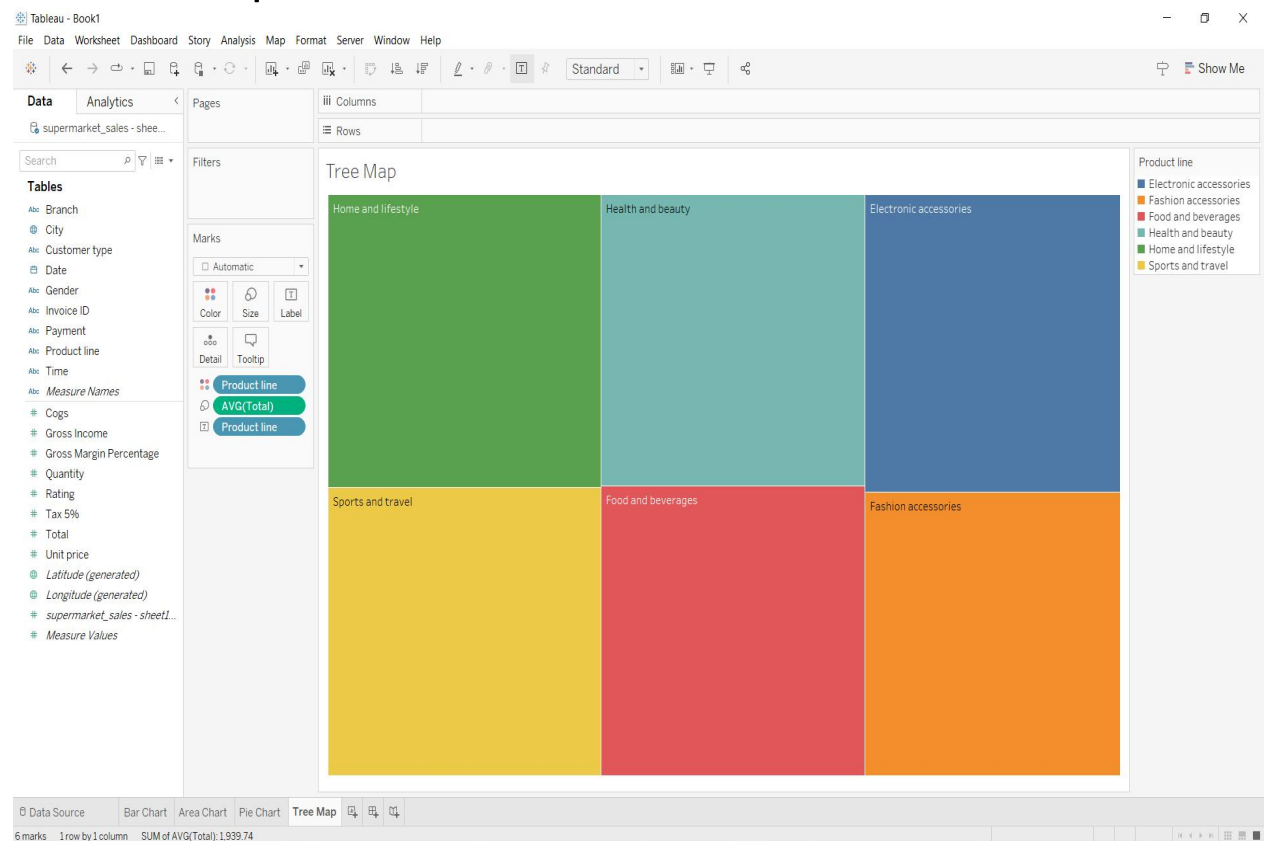

## 2. Area Chart

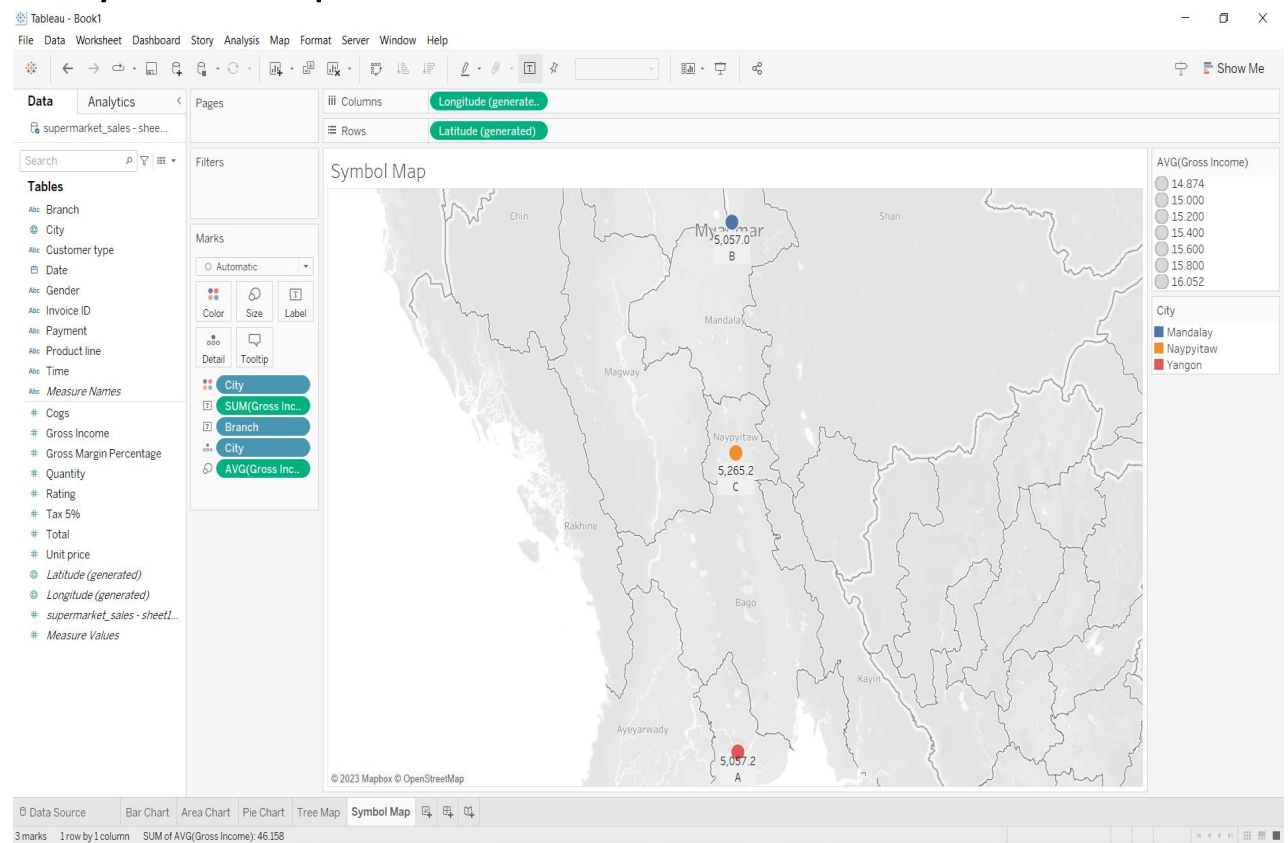

## 3. Pie Chart

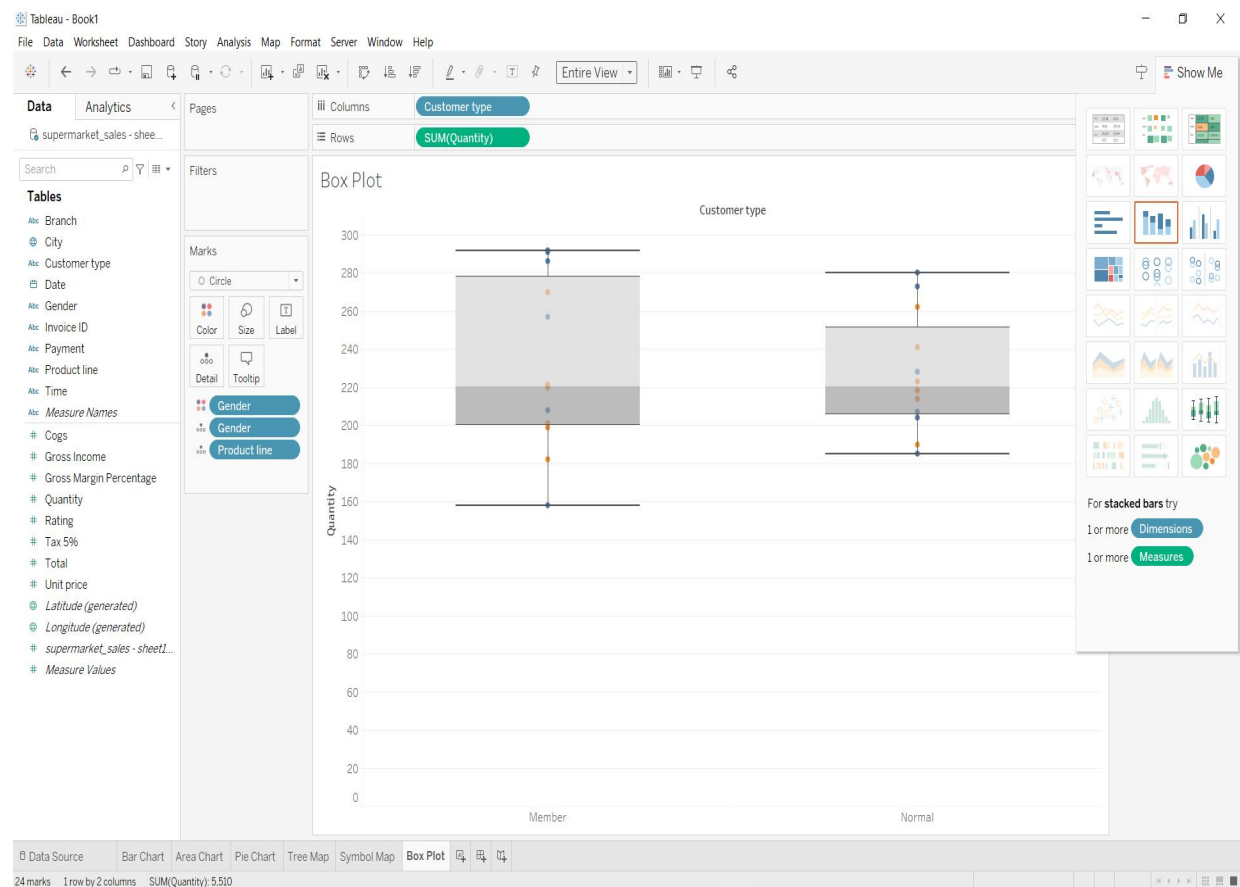

## 4. Tree Map

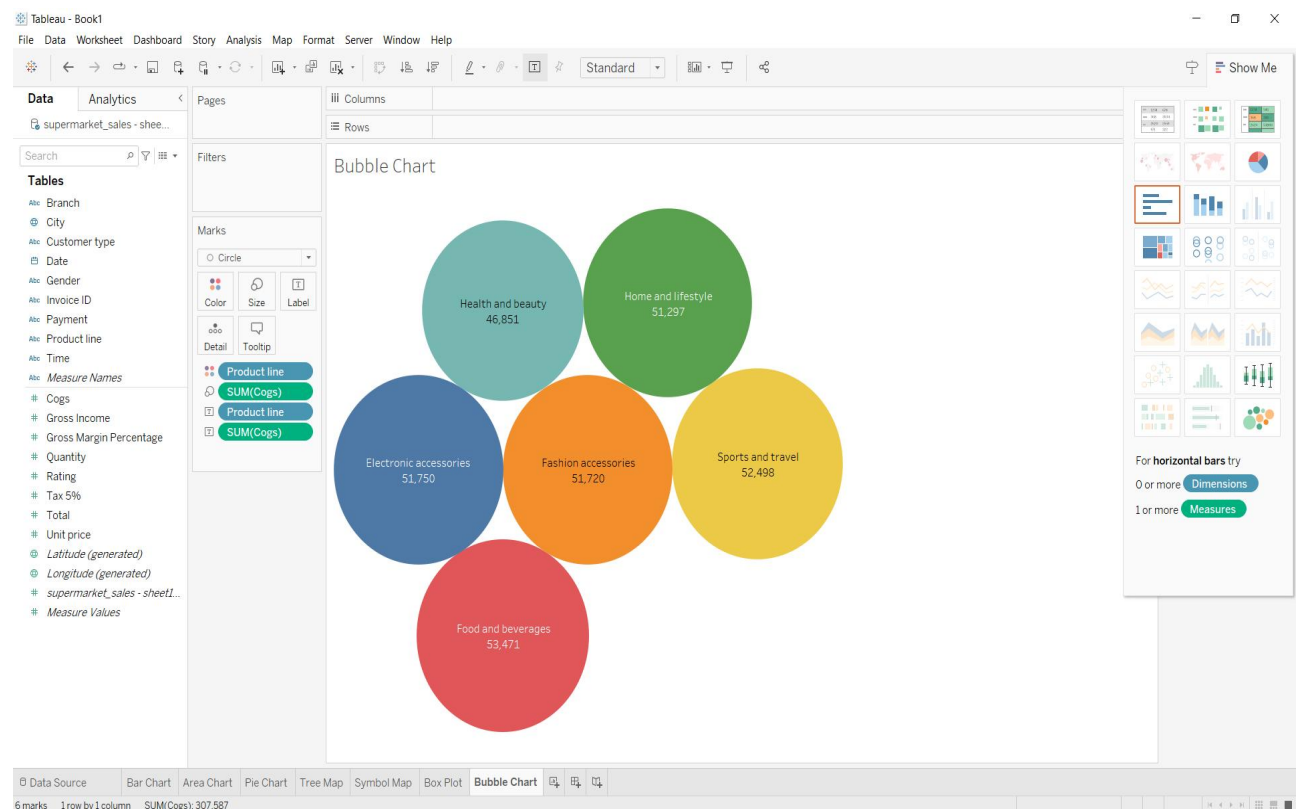

## 5. Symbol Map

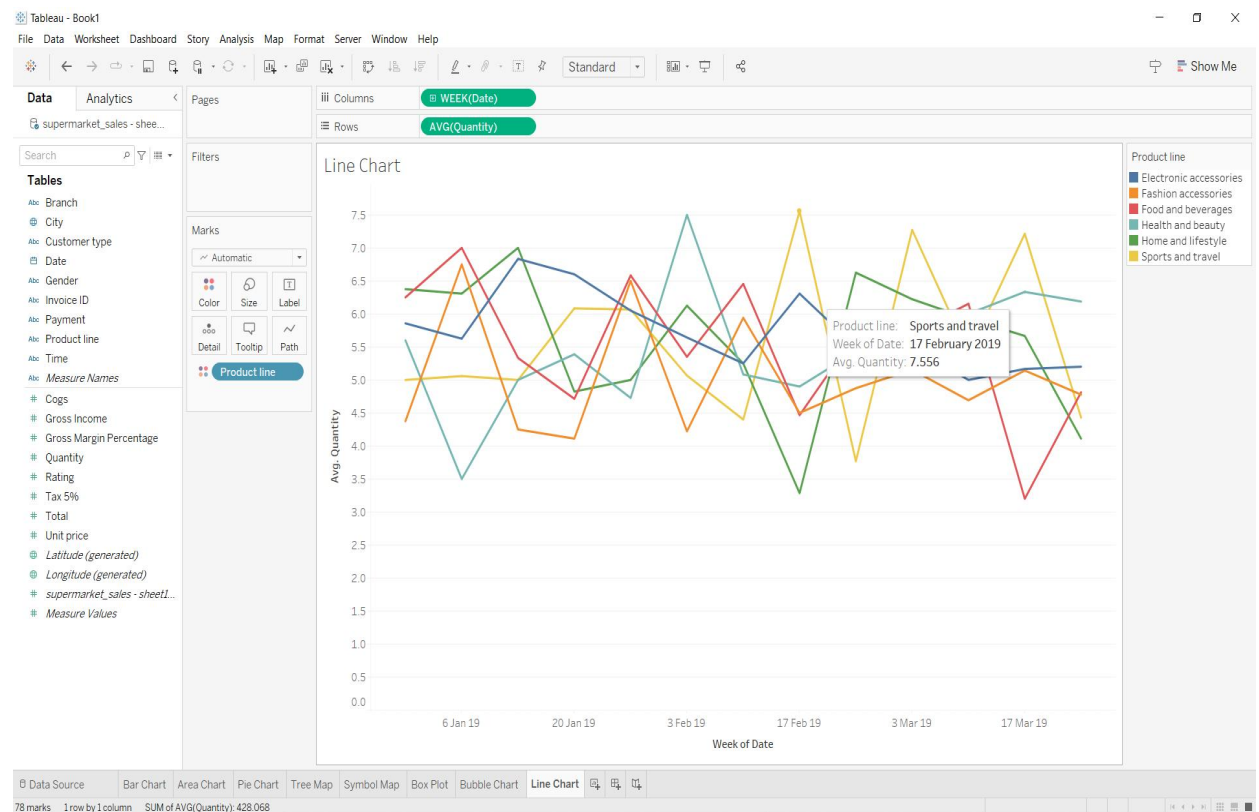

## 6. Box Plot

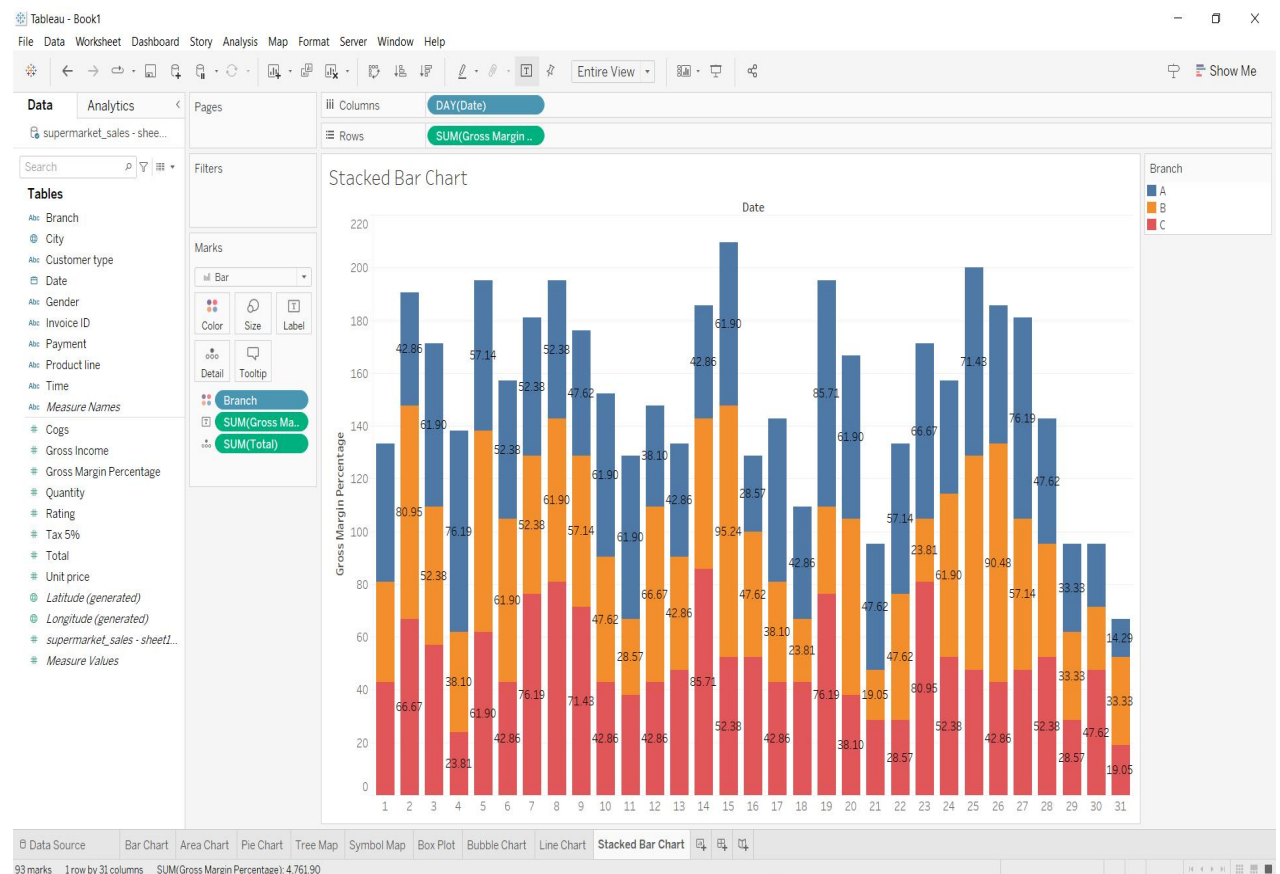

## 7. Bubble Chart

## 8. Line Chart

## 9. Stacked Bar Chart

## 10. Side by Side Bar Chart
